

Welcome Student!

We are ready to demonstrate our mission to you! Our mission is to equip and educate saints to advance the Kingdom of God. We accomplish this with godly men and women teaching Biblical truths that empower saints to live a godly and victorious live and walk out the legacy of Jesus Christ. It is our pleasure to teach and inspire you with more knowledge and demonstration of the Legacy of Jesus Christ. We believe your mind will be renewed and you will desire to want more of His principles for your life.

Your classroom experience will impart a destiny driven atmosphere by instructors who are godly men and women with a commitment to provide you with knowledge and understanding. Some courses may require you an opportunity to demonstrate or facilitate a principle to better equip you for higher learning.

We encourage you to read your student handbook and register early, our classes fill up quickly! I look forward to seeing you on the campus.

Come expecting,

Evangelist Antoinnette Williams

Dean of Students
